A vibrant crowd of people is gathered at an outdoor sports event, likely a soccer match. Many individuals are wearing white or red athletic gear, and several are holding up smartphones to capture photos or videos. The crowd is separated from the field by a metal crowd control barrier. In the foreground, a large black banner with the 'grassroots trust' logo is draped across the barrier. The background shows a white event tent and green foliage under bright daylight.

Chairman's Report

Year ending
31 July 2026

The 2026 financial year has been a period of significant transition for Grassroots Trust Central Limited and the wider Class 4 gaming sector in New Zealand. Against a backdrop of evolving regulatory expectations, shifts in consumer behaviour, and broader macroeconomic pressures, our commitment has remained resolute: operating with absolute integrity, maintaining robust harm minimisation, and maximising the return of gaming proceeds to support our local communities.

Performance & Community Support

Despite the ongoing economic downturn, Grassroots Trust Central has delivered a strong operational performance for the year ended 31 July 2026.

Our core philosophy remains unchanged — returning funds directly to the regions in which they were generated. Over the past year, these distributions have enabled essential support for grassroots sport, education, health, and community wellbeing initiatives. However, the demand for community grants continues to outstrip available funding. The volume of high-quality applications received this year highlights both the incredible work being done by local organisations and the continuing competition for limited grant dollars.

Regulatory Landscape & DIA Developments

The Department of Internal Affairs (DIA) has continued to refine its regulatory framework, placing greater emphasis on harm minimisation technology, data-driven compliance, and operational transparency across the Class 4 sector.

Key regulatory developments and interpretations of the Gambling Act 2003 over the past year have focused on heightened host responsibility standards and stricter expectations around venue management. We have actively engaged with these updates, ensuring our operational systems, venue audits, and training programs not only meet but exceed regulatory requirements. While increased compliance obligations inevitably bring additional administrative costs, we fully support measures that uphold the integrity of the sector and ensure a safe, responsible environment for venue patrons.

Online Gambling & Sector Impact

The landscape of gambling in New Zealand is undergoing a structural shift, accelerated by the ongoing progress toward formal licensing and regulation of online casino gambling. While establishing regulatory oversight for online operators is a necessary step to address consumer safety and offshore capital flight, the expansion of digital gambling continues to present a direct challenge to land-based operators.

Offshore and digital platforms operate with significantly lower overheads and crucially, with only a token statutory requirement to return profits to local New Zealand communities. As domestic patrons increasingly engage with online options, traditional Class 4 operators face ongoing revenue pressure. We continue to advocate strongly for regulatory settings that protect the unique community-funding model that land-based Class 4 gaming provides—a model that remains vital to the social infrastructure of New Zealand.

Market Conditions & Class 4 Gaming Trends

General market conditions over the 2026 financial year have reflected broader economic trends across New Zealand. Cost-of-living pressures and reduced discretionary spending have impacted venue foot traffic and overall gaming turnover in several regions. Furthermore, venue viability remains under pressure due to rising operating overheads, increasing compliance demands, and restrictive local council territorial authority policies (such as "sinking lid" venue policies).

Despite these sector-wide challenges, Class 4 gaming continues to prove its value as an efficient, highly regulated mechanism for localised community fundraising. Key trends across the sector emphasise a shift toward enhanced digital venue management tools, modernised gaming technology, and an uncompromising focus on early detection and intervention for problem gambling.

Acknowledgments

Thank you to our Board for their sound governance, strategic insight, and continued dedication to the Trust's goals throughout the year. Our venue operators are key to our success and we appreciate their ongoing support and commitment to Grassroots Trust Central.

My thanks also go to the team at Maxserv. Their expertise, administrative oversight, and operational support ensure that our day-to-day operations and compliance frameworks run smoothly, allowing us to maintain the highest standards of service to our venues and grant recipients.

I would like to acknowledge all the grant applicants – the volunteers, sports clubs, charities, and community groups – who work tirelessly to improve our communities. We are proud to partner with you and remain dedicated to supporting your vital work.

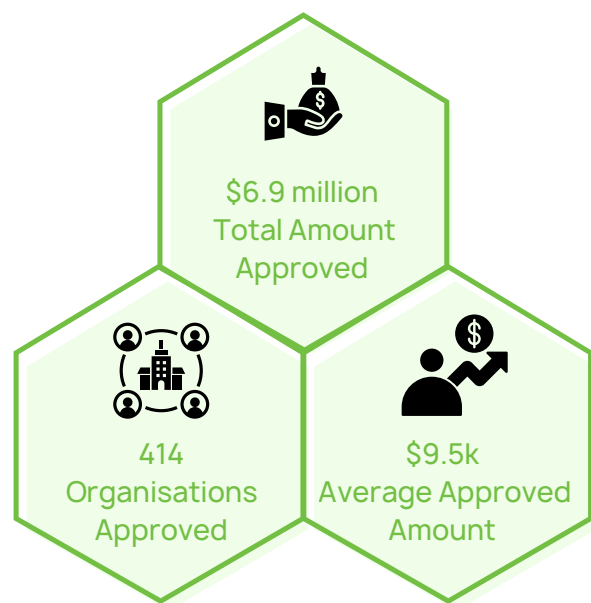

As we enter the 2027 financial year, Grassroots Trust Central Limited remains focused on sustainability, compliance excellence, and community impact. We will continue to navigate sector changes proactively, advocate for fair regulatory treatment, and ensure that every dollar generated continues to make a meaningful difference where it matters most.

For every dollar put in to a gaming machine, 91 cents on average is returned to the player in winnings. This is the highest rate of return of any form of legal gambling in New Zealand.

At least 40% of revenue generated from gaming machines and not returned to the player goes towards community initiatives in the form of grants. Every year, pub and club gaming machines return around \$300 million to the community through applications from around 13,000 groups.

The Government receives around 40% in taxes, duties and fees, and the rest goes towards administration and venue costs, and the mitigation of problem gambling.

Around \$11 million of gaming machine revenue goes to the Ministry of Health annually through the problem gambling levy for implementing their harm minimisation programme.

Our Business

Our Strategy

Why we are here

Our Mission

'To provide local funding to local communities'

Our Vision

To be the most effective community funder of sport and community activity in the areas we operate.

To operate the most effective harm minimisation programmes.

Our Purpose

1. To support local communities to become vibrant, active and connected places.
2. Remove barriers to participate in sport and community activities.
3. To create an infrastructure of community facilities.
4. Safe guard vulnerable individuals and communities from potential gambling harm.

What we do

1. PARTNER with gaming venues in local communities.
2. MAXIMISE RETURN to the community and minimise harm by providing total gaming solutions to our venues.
3. PROVIDE THE BEST QUALITY gaming technology available.
4. DISTRIBUTE maximum funds to local communities.
5. ENSURE funds are spent as granted.

Why we do it

Ethically Based

Our behavior reflects our beliefs and principles.

Morally Driven

We believe in our communities and strive to ensure that our operations do not damage any part of them.

Accountable

We openly and transparently display our performance (revenue raised, funds distributed, criteria for decisions) to our communities.

Empathetic

We care about communities and seek to understand all we interact with.

- Best practice governance and management
- Holistic in our approach to gaming
- Team orientated
- Accountable, flexible and innovative

Industry leading

Our venue management, compliance, harm minimisation, financial and gaming operations aim to lead the sector.

Innovative

We learn from best practice and add the Grassroots touch, or develop our own programmes.

Board of Directors

Grassroots Trust Central is dedicated to providing local funding to local communities.

We share your passion and enthusiasm for amateur sport, education and various charitable community initiatives and we're here to help. Great care is taken to ensure funds granted are well used and for the authorised purpose, and many local communities have already benefited from a Grassroots Trust Central grant.

Our Stories

Local funding to local communities

Taupo Croquet Club Incorporated

Taupo Croquet Club Incorporated is a community sports club based at the Taupō Recreation Reserve on Rokino Road, welcoming both newcomers and experienced players to a game that blends tactical thinking with physical coordination.

The club offers coaching for beginners, social play, and a friendly, inclusive atmosphere where members build friendships and stay mentally and socially active. With 48 members and two lawns, the club relies on well-maintained equipment to keep the game accessible and enjoyable for all ages.

Grassroots Trust Central provided \$2,500.00 toward new croquet balls and equipment, supporting the club's ability to provide quality playing facilities and continue fostering community connection through sport.

Laird Park Bowling Club Incorporated

Laird Park Bowling Club Incorporated is a community bowls club located in Whanganui, incorporated since 1995 and based on council land. The club has a strong history of hosting regional and national-level events, including the Women's Masters 2025–26 and the long-running Shirley Cook Memorial tournament, which attracts teams from across the lower North Island.

Grassroots Trust Central provided \$8,000.00 toward the Greens Keeper salary, ensuring the club's greens are maintained to the highest standard, supporting major tournaments that bring players and visitors to Whanganui, and strengthening the local bowling community for members and regional competitors.

Merrilands School

At Merrilands School in New Plymouth, sport is part of what "A Caring Community Inspiring Lifelong Learning" actually looks like. The Years 1–6 primary school offers netball, miniball, basketball, cricket, inline hockey, and touch rugby, and students represent the school in annual interschool exchanges in rugby, football, and netball.

Grassroots Trust Central provided \$8,000.00 toward the costs associated with purchasing soccer goals and rugby combo goals, supporting the school's ability to provide quality sporting opportunities for its students.

Midway Surf Life Saving Club Gisborne Incorporated

The club provides over 1,000 hours of volunteer patrol time each season and supports more than 150 children through its Junior Nippers programme every summer—the surf lifesaving programme in which children learn water safety, swimming skills, and how to read the beach. At Midway Beach, the club is built around one simple promise: a safe place to swim and the opportunity for anyone to learn water skills.

The club is based at the Midway Surf Rescue Community Hub, opened in November 2023, which includes a lifeguarding tower with 180-degree sea views, a gear shed, training rooms, and community spaces. The hub also houses other clubs and provides facilities for the wider Tairāwhiti community.

Grassroots Trust Central provided \$123,451.67 toward the club's work, supporting vital lifeguarding services and community facilities at Midway Beach.

Heart Kids New Zealand Charitable Trust

Heart Kids NZ is the only national organisation in Aotearoa dedicated solely to supporting children, teens, adults, and their whānau living with congenital and childhood-acquired heart conditions. The organisation supports 1,732 heart members in the Wellington region and 740 in Manawatū-Whanganui, offering tailored family support in the community and in hospital, resources to navigate life with a heart condition, and events that foster connection and resilience. As a fully remote organisation, Heart Kids relies on secure, reliable laptops to document client notes, coordinate support, and stay connected with families in real time.

Grassroots Trust Central provided \$7,098.75 toward computer equipment in the Manawatū-Whanganui and Wellington regions, supporting Heart Kids' ability to deliver timely, connected support to heart families across these communities.

Special Olympics Te Whanganui-a-Tara

Special Olympics Te Whanganui-a-Tara provides year-round sports training and competition for children and adults with intellectual disabilities, with approximately 100 local athletes involved in sports including athletics, basketball, bocce, football, swimming, and tenpin bowling.

The 2025 National Summer Games were held in Christchurch in December 2025, bringing together more than 1,200 athletes from 42 clubs across Aotearoa to compete in 10 sports across six venues, making it New Zealand's largest inclusive sporting event.

Grassroots Trust Central provided \$5,000.00 toward registration fees, enabling the club to enter a team of 64 athletes and 23 coaches and support volunteers at the Games.

Special Olympics Te Whanganui-a-Tara said: "The team performed excellently, returning home with a large number of gold, silver, and bronze medals, along with personal bests across seven sports. For some athletes, it was their first time competing at such a large event; for others, it was an opportunity to renew social connections. Everyone enjoyed connection and success in one form or another — an outcome as important as the medal tally for people with an intellectual disability."

Manawatū Mountain Bike Club Incorporated

Manawatū Mountain Bike Club is a volunteer-led organisation that has been building trails and growing the local mountain biking community since 1988. The club funds, builds, and maintains the trails at Arapuke Forest Mountain Bike Park, a premier destination in the lower North Island located just 20 minutes from Palmerston North.

Arapuke features over 50km of trails ranging from Grade 2 family-friendly tracks through to Grade 6 technical and jump trails, with a growing network through native bush. The park is free and open to the community, attracting riders of all ages and abilities, and is also used for club events including the Arapuke Enduro, Arapuke Classic, and Schools MTB Fest.

Grassroots Trust Central provided \$20,000 toward the costs associated with construction of the Arapuke Trail supporting the continued development of this significant outdoor recreation asset for the Manawatū region.

Capital Football Incorporated

Capital Football Incorporated is the regional governing body for football across the wider Wellington region, covering Wellington, Porirua, Horowhenua/Kāpiti, Hutt Valley, and Wairarapa. With a mission to provide, develop, and safeguard the future of football, the organisation supports 23,600 individual members across 43 clubs and futsal teams, with steady participation growth year on year, particularly in the women's game.

Its Federation Development staff are the connection between the organisation and its community – removing barriers to participation, running junior and youth festivals, delivering referee training, and supporting clubs through strategic development. Key deliverables include coach education, clear pathways from grassroots to advanced levels, expanded access for women and girls, and diversity and inclusion programmes such as Football For All.

Grassroots Trust Central provided \$172,919.71 toward operational expenses and salary costs, supporting the delivery of community football programmes and competitions across the Wellington region.

Malaghan Institute of Medical Research

Grassroots Trust Central continues supporting the Malaghan Institute of Medical Research in 2025-2026 with funding of \$200,000 toward its vital work as New Zealand's independent biomedical research institute. Based in Wellington, the Institute's mission is to capitalise on scientific discoveries to return value to New Zealand, with research spanning cancer, allergy, and infectious disease, and a particular focus on immunotherapy and immune system science.

A significant part of the Institute's work is CAR T-cell therapy – a treatment that turns a patient's own immune cells into a "living drug" that seeks out and kills cancer.

The Malaghan Institute ran New Zealand's first clinical trial of this therapy, which has shown promising results for safety and effectiveness in people with lymphomas that have come back. The Institute is also investigating mRNA vaccines for diseases such as liver cancer, hepatitis B, and a universal flu vaccine, while in the allergy space researchers are studying how dendritic cells trigger allergic reactions, hoping to find new ways to prevent and treat allergies – which affect more than a third of New Zealanders.

Grassroots Trust Central supported the Institute's pursuit of real-world health benefits for New Zealanders, ensuring its researchers can continue advancing discoveries from the lab toward treatments that make a genuine difference to patients and their whānau.

Report of the Independent Auditor on the Summary Financial Statements

To the Shareholders of Grassroots Trust Central Limited

Opinion

The Summary Financial Statements, which comprise the Summary Statement of Financial Position as at 31 July 2026, the Summary Statement of Service Performance, Summary Statement of Comprehensive Revenue and Expense, Summary Statement of Changes in Net Assets / Equity and Summary Statement of Cash Flows for the year then ended, and related notes, are derived from the audited Financial Statements of Grassroots Trust Central Limited (the Company) for the year ended 31 July 2026.

In our opinion, the accompanying Summary Financial Statements are consistent, in all material respects, with the Audited Financial Statements, in accordance with PBE FRS-43: Summary Financial Statements issued by the New Zealand Accounting Standards Board.

Summary Financial Statements

The Summary Financial Statements do not contain all the disclosures required by Public Benefit Entity International Public Sector Accounting Standards (PBE IPSAS). Reading the Summary Financial Statements and the Auditor's Report thereon, therefore, is not a substitute for reading the Audited Financial Statements and the Auditor's Report thereon. The Summary Financial Statements and the Audited Financial Statements do not reflect the effects of events that occurred subsequent to the date of our report on the Audited Financial Statements.

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the Audited Financial Statements in our report dated 29 October 2026.

Restriction on Responsibility

This report is made solely to the Shareholders, as a body, in accordance with Section 207B(1) of the Companies Act 1993. Our audit has been undertaken so that we might state to the Shareholders those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's Shareholders as a body, for our audit work, for this report, or for the opinions we have formed.

Directors' Responsibility for the Summary Financial Statements

The Directors are responsible on behalf of the Company for the preparation of the Summary Financial Statements in accordance with PBE FRS-43: *Summary Financial Statements*.

Auditor's Responsibility

Our responsibility is to express an opinion on whether the Summary Financial Statements are consistent, in all material respects, with the Audited Financial Statements based on our procedures, which were conducted in accordance with International Standard on Auditing (New Zealand) (ISA (NZ)) 810 (Revised), *Engagements to Report on Summary Financial Statements*.

Other than in our capacity as auditor we have no relationship with, or interests in, the Company.
